HERITAGE

Traditional Kerala Cottages (Tharavadu)

Timeless gems in our inventory- Anchal Cottage, inspired by the Nalukettu architectural style and Erattupetta Cottage, steeped in 200 years of history, pay homage to the bygone era of Kerala. Anchal's serene courtyards and private pool evoke the tranquility of yesteryears, while Erattupetta's traditional design and intricate wall art transport guests to a time long past. Both cottages stand as testaments to Kerala's enduring allure, inviting visitors to immerse themselves in the timeless beauty and rich heritage of the region.

Based on the curated package and room rates

Ruins of Thangassery Fort

Built in 1518 by the Portuguese, this fort is constructed from a mix of sandstone and lime mortar. It fell into the hands of the Dutch and later, the British. Parts of it still stand today, the weathered walls whispering tales of valour and resilience over the ages.

Price on request

HERITAGE

Punalur Hanging Bridge

The first hanging bridge in southern India, built above the Kallada river by Sir Albert Henry in 1877, this iconic structure is more than just a crossing; it created architectural history. From the bridge, you can enjoy breathtaking views of the surrounding landscape. This is an unforgettable experience for adventurers and history enthusiasts alike.

Price on request

British Residency Bungalow

The British Residency Bungalow, also known as the Government Guest House or Residency Bungalow, stands proudly as a two-storied palace in the picturesque city of Kollam, Kerala. Colonel John Munro oversaw its construction between 1811 and 1819. This historical landmark is reminiscent of colonial architecture. Today, it serves as a notable symbol of Kollam's heritage.

Price on request

HERITAGE

Chinnakada Clock Tower

An unofficial symbol of Kollam District, a quadrangular tower built by the natives in honor of K G Parameshwaran Pillai, the former chairman of Kollam Municipality between 1932 & 1948. The construction was started in 1941 and completed in 1944. Built with brick and white cement, it has the distinction of being the first clock tower of Travancore. The four big clocks placed on the sides were brought from Kolkata.

Price on request

Cheena Kottaram (China Palace)

Constructed in 1904 during the reign of Sri Mulam Tirunal Rama Varma, the Cheena Kottaram, or China Palace, is a charming rest house in Kollam. This red-brick, single-storied building with seven rooms reflects Indo-Saracenic architecture, a blend of Indian, European, Islamic and Moorish styles. Its completion coincided with the inauguration of the Kollam-Sengottai railway line, adding to its historical significance.

Price on request

HERITAGE

Thevally Palace

Nestled on the banks of Ashtamudi Lake, the Thevally Palace is a cherished heritage site in Kollam. Constructed between 1811 and 1819 during the reign of Gowri Parvati Bayi, this palace is considered a hallmark of Kollam city. Originally built for royalty, it now serves as the NCC Group Headquarters for Kollam district and is owned by the Public Works Department (PWD), adding to its historical and administrative significance.

Price on request

The Kollam–Sengottai Chord Line

The metre-gauge railway line was conceived and implemented by Maharajah Uthram Thirunal of Travancore. It was built jointly by South Indian Railway Company, Travancore State and the Madras Presidency. The grandeur work started in 1900 and was completed by 1902.

Price on request

Sri Moolam Thirunal Palace (SMP Palace)

Built in 1936 to commemorate the 60th birthday of the then ruler of Travancore, Moolam Thirunal Rama Varma, the SMP Palace stands near the heart of Kollam city. This majestic palace serves as a testament to the grandeur of Travancore's history and architectural heritage.
