

KIDS CLUB

JUST KIDS, a fun filled and learning indulgence for our junior guests. We care for them and have activities organized to keep the little ones engaged with fun & interactive experiences to make their holidays unforgettable. This gives parents an opportunity to explore the facilities at the resort.

Activities are planned and conducted for kids of 5 – 12 years age group. The kids below 5 years are accommodated under the supervision of the parents. The exact schedule of activities is communicated through an activity sheet. It enables them to plan their day.
