## Classics

“I only drink champagne when I'm happy,  
and when I'm sad.  
Sometimes I drink it when I'm alone.  
When I have company, I consider it obligatory.  
I trifle with it if I am not hungry and drink it when I  
am.  
Otherwise I never touch it - unless I'm thirsty.”

-Lily Bollinger

## Contemporaries

"I never have more than one drink before dinner.  
But I do like that one to be large and very strong  
and very cold and very well-made.  
This drink is my own invention.  
I'm going to patent it when I can think of a good  
name."  
Vesper, he thought in his mind....

-James Bond
