## SINGLE MALT

The term “Single Malt” means whisky that is produced by a single distillery. Single Malt whiskies tend to reflect the climate and geographical characteristics of the region they come from. There are five main regions, namely the Highland, Lowland, Islay, Speyside and Island-Skye and Jura.

## SPEYSIDE

The Speyside area is situated at the North of the Cairngorm Mountain and goes to the Moray Firth. The area is named after the river Spey. Most of the distilleries take their water in one of its affluent; the Fiddich, the Livet or the Avon. Speyside whiskies are essentially sweet, peaty and smoky in character. They take maturation in sherry-wood well and can be rich and full bodied, medium and light-bodied.

## HIGHLANDS

This is the mountainous part of Scotland where streams tumbling over granite, heather hills and green glens introduced interesting flavours and aromas to the malts whiskies. Whisky produced here uses water that has flowed over peat bogs, which impart a smoky flavour

## LOWLAND

Lowland typically has a dry finish, which makes them excellent aperitifs. The dryness comes from the malt itself, not from peat (Lowlands tend to use unpeated malt), and this also lends a certain sweet fruitiness to the flavor and mouth feel. Their aromatic intensity is low, and tends to be grassy or herbal, with grainy and floral notes.

## ISLAY

The Island of Islay (pronounced Eye-la-l) is the south of the Western Isles and lies on the eastern side of Kintyre. It is flat, green and very largely composed of peat - the water on the island is brown with it.

## ISLANDS - JURA / SKYE

The whiskies produced on the Islands are extremely varied and have few similarities, though can often be distinguished from other whisky regions by generally having a smokier flavor with peaty undertones.

## WHISKY

The word whisky conjures up a picture of an amber coloured liquid with a range of taste and aromas. Add the word scotch to it and a range of other images come to mind. The word whisky reputedly derives from Gaelic, "uisge beatha" water of life. Savour this Scottish delight from our premium or regular selection.
