LEELA SURAKSHA

We are taking extreme care and monitoring the constantly evolving situation and adapting all required precautionary measures as advised by local and global authorities.

To reiterate our commitment, we have redefined our hygiene and cleaning protocols with the launch of Suraksha, a comprehensive program designed in coherence with our partners. This is a holistic approach we are taking to elevate our health, safety and hygiene protocols with stringent measures that ensure a safe environment while you continue to enjoy our opulent and indulgent services.

- Mandatory use of PPE kits for the kitchen team to prevent cross contamination.
- Washing and sanitisation of vegetables, fruits and groceries.
- Preparation of food in small quantities to ensure fresh food is served to the guests.
- Washing of all dishes at 80 degrees Celsius.
- Hygiene training for all the teams.
