2024

A good year

THE LEELA
PALACES HOTELS RESORTS

Coming together to do *Good* at The Leela

At The Leela, luxury meets conscience, and hospitality is an art form that transcends borders. Rooted in the timeless ethos of 'Atithi Devo Bhava – Guest is God', we embark on a journey to redefine luxury through a lens of responsibility and sustainability.

Our commitment extends beyond the opulence of our spaces to a profound connection with nature and communities. For this year's calendar, we have collaborated with the boundlessly talented and specially-abled artists at Mouth and Foot Painting Artists (MFPA) to create an artistic interpretation of the iconic vistas of The Leela Palaces, Hotels and Resorts.

Each month showcases the extraordinary charm of fine art that transports you, page by page into our mesmerizing world, featuring grand architecture and verdant landscapes.

We invite you too to be a part of this endeavour where luxury is not just an experience but a force for positive change.

Here's wishing that 2024 is a good year, for one and all.

ABOUT MOUTH AND FOOT PAINTING ARTISTS ASSOCIATION

The Mouth and Foot Painting Artists Association (MFPA) is an international registered society of disabled artists, who due to a disability to their hands, create art with their mouth or foot. Stricken with disease, accident or birth deformities that resulted in the unfortunate loss of their arms, these unique artists create paintings by holding the paint brushes clenched with their teeth or held between their toes.

With over 800 artists from 74 countries, the MFPA instils in its artists a sense of self-respect and dignity that comes from earning an independent, honest and secure livelihood through the sale of their artwork, free from any charity.
