

Independent Auditor's Report

To the Members of Schloss Udaipur Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Schloss Udaipur Private Limited (the "Company") which comprise the balance sheet as at 31 March 2026, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its profit and other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Independent Auditor's Report (Continued)

Schloss Udaipur Private Limited

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 A. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Independent Auditor's Report (Continued)

Schloss Udaipur Private Limited

- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matter stated in the paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors on various dates between 1 April 2026 to 22 April 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. the modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company has disclosed the impact of pending litigations as at 31 March 2026 on its financial position in its financial statements - Refer Note 33 to the financial statements.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d (i) The management has represented that, to the best of their knowledge and belief, as disclosed in the Note 42(vii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented that, to the best of their knowledge and belief, as disclosed in the Note 42(vii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
 - e. The Company has neither declared nor paid any dividend during the year.

Independent Auditor's Report (Continued)

Schloss Udaipur Private Limited

- f. Based on our examination which included test checks, the Company has used accounting softwares for maintaining its books of account which has a feature of recording audit trail (edit log) facility except for an accounting software used for purchases and inventory management where feature of recording the audit trail (edit log) facility was not enabled at the database level to log any direct changes upto 25 June 2025. Further, where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting softwares, we did not come across any instance of audit trail feature being tampered with. Additionally, where audit trail (edit log) facility was enabled and operated in the previous year, the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
- In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure A to the Independent Auditor's Report on the Financial Statements of Schloss Udaipur Private Limited for the year ended 31 March 2026

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, plant and equipment by which all Property, plant and equipment are verified in a phased manner over a period of 3 years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. The Company has verified all the property, plant and equipment during the year. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory, has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the year. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, provisions of clauses 3(iii)(a) to 3(iii)(f) of the Order are not applicable to the Company.
- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has complied with the provisions of Section 185 of the Companies Act, 2013 ("the Act") in respect of loans granted by the Company. The Company has not given any guarantees or security to parties covered under Section 185 of the Act. Further, in terms of Section 186(11) of the Act, the Company is exempt from the provisions of Section 186 of the Act, except Section 186(1), since the Company is engaged in the business of providing infrastructure facilities. Accordingly, the provisions of Section 186, other than Section 186(1), are not applicable to the loans granted by the Company.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

Annexure A to the Independent Auditor's Report on the Financial Statements of Schloss Udaipur Private Limited for the year ended 31 March 2026 (Continued)

(vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the goods sold and services provided by it. Accordingly, clause 3(vi) of the Order is not applicable.

(vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, the undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax or other statutory dues have been regularly deposited by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of Duty of Customs or Cess.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax or other statutory dues were in arrears as at 31 March 2026 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, statutory dues relating to Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues which have not been deposited on account of any dispute are as follows:

Name of the statute	Nature of the dues	Amount (Rs in million)	Amount paid under protest (Rs in million)	Period to which the amount relates	Forum where dispute is pending	Remarks, if any
Rajasthan Value Added Tax Act, 2003	Tax and interest	3.14	3.14	2011-12 to 2014-15	High court of Rajasthan, Jodhpur	
Rajasthan Value Added Tax Act, 2003	Tax and interest	0.38	-	April 2023 to March 2024	Assessing officer	
Goods and Service Tax	Tax and interest	1.64	0.46	July 2017 to March 2018	First Appellate Authority	
Income Tax Act, 1961	Tax and interest	19.62	3.04	2020-21 and 2021-22	Commissioner of Income Tax (Appeals)	

(viii) According to the information and explanations given to us and on the basis of our examination

Annexure A to the Independent Auditor's Report on the Financial Statements of Schloss Udaipur Private Limited for the year ended 31 March 2026 (Continued)

of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(e) is not applicable.
- (f) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(f) is not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) During the course of our examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) The Company is a wholly owned subsidiary of a public limited company and accordingly the requirements as stipulated by the provisions of Section 177 of the Act are not applicable to the Company. In our opinion and according to the information and explanations given to us and on the basis of our examination of records of the Company, transactions with the related parties are in compliance with Section 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

Annexure A to the Independent Auditor's Report on the Financial Statements of Schloss Udaipur Private Limited for the year ended 31 March 2026 (Continued)

- (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) The Company is not part of any group (as defined in the regulations made by the Reserve Bank of India). Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure B to the Independent Auditor's Report on the financial statements of Schloss Udaipur Private Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Schloss Udaipur Private Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

**Annexure B to the Independent Auditor's Report on the financial statements of Schloss Udaipur Private Limited for the year ended 31 March 2026
(Continued)**

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Statement of cash flows for the year ended March 31, 2026
(All amounts are in Rupees in millions except otherwise stated)

Particulars	For the year ended March 31, 2026	For the year ended March 31, 2025
Cash flows from operating activities		
Profit/(loss) before tax for the year	172.46	138.13
Adjustments for:		
Depreciation and amortisation	94.28	77.29
Finance costs on borrowings	360.37	367.87
Net (gain)/loss on disposal of property, plant and equipment	(0.45)	0.04
Net impairment losses/(reversal) on financial assets	(0.23)	0.22
Net unrealised foreign exchange differences	(0.84)	0.02
Rent equalisation reserve	-	-
Interest income	(37.89)	(94.47)
Government grants	(2.80)	-
Exceptional items	3.88	-
Bad debts written off	0.23	-
Operating cash flows before working capital changes	589.01	489.10
Working capital movements:		
(Increase) in inventories	(4.26)	(3.49)
Decrease in trade receivables	16.96	2.03
(Increase)/decrease in other financial assets	0.26	6.83
Decrease/(increase) in other current assets	27.70	(37.16)
(Decrease)/increase in trade payables	(94.42)	24.74
Increase in other current liabilities	46.04	35.19
(Decrease)/increase in other financial liabilities	7.52	0.94
Increase/(decrease) in provisions	7.50	(0.57)
Cash generated from operations	596.31	517.61
Income taxes (paid), net	(17.94)	26.83
Net cash flows generated from operating activities (A)	578.37	544.44
Cash flows from investing activities		
Payments for purchase of property, plant and equipment	(565.33)	(445.24)
Payments for purchase of intangibles	(0.36)	-
Proceeds from sale of property, plant and equipment	0.88	0.21
Bank Deposit placed	(1,116.70)	(1,449.02)
Bank Deposit matured	1,356.11	1,704.94
Interest received on others	23.72	25.91
Intercompany deposits given to related parties	-	(558.00)
Repayment of intercompany deposits by related parties	535.00	680.94
Interest received on intercompany deposits from related parties	27.55	69.57
Net cash flows generated from investing activities (B)	260.87	29.31
Cash flows from financing activities		
Proceeds of borrowings from others	190.80	283.03
Proceeds of borrowings to related parties	644.95	-
Repayments of borrowings	(1,079.80)	(353.54)
Repayment of borrowings to related parties	(270.47)	-
Finance cost paid on CCD conversion	-	(95.81)
Finance costs paid other than on lease liabilities	(303.05)	(356.78)
Finance costs paid to related parties	(46.28)	-
Net cash flows (used) from financing activities (C)	(863.85)	(523.10)
Net (decrease)/increase in cash and cash equivalents (A+B+C)	(24.61)	50.65
Cash and cash equivalents as at beginning of the year	61.54	10.89
Cash and cash equivalents at the end of the year (refer note 10)	36.93	61.54
Reconciliation of cash and cash equivalents as per the statement of cash flows:		
Cash and cash equivalents comprise of the following:		
Cash on hand	0.75	0.93
Balance with banks		
-in current account	11.17	60.61
-in fixed deposit account with original maturity of less than 3 months	25.01	-
Total cash and cash equivalents as at year end	36.93	61.54

The above cash flow statement has been prepared under the indirect method as set out in Ind AS 7 - "Statement of Cash Flows" notified under section 133 of Companies Act, 2013 ('the Act') read with Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant provisions of the Act.

1 Company information

Schloss Udaipur Private Limited ("the Company") an Indian subsidiary of Schloss Chanakya Private Limited was incorporated on March 20, 2019 under the provisions of Companies Act, 2013 and started its operations effective October 17, 2019 by acquiring Udaipur hotel undertaking of HLV Limited. The Company is in the hospitality industry and operates hotel under the brand name of "THE LEELA".

2 Basis of preparation, Critical accounting estimates and judgements and Material accounting policies

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

Rounding of amounts :

All Amounts disclosed in the financial statements and notes have been rounded off to the nearest million as per the requirement of Schedule III, unless otherwise specified.

2.1 Statement of Compliance

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2021 and other provisions of the Companies Act, 2013 ("the Act") as amended from time to time. The financial statements are prepared in Indian rupees in millions.

(i) Historical Cost Convention

The Financial Statements have been prepared on a historical cost basis, except for the following-

- (a) certain financial assets and liabilities (including derivative instruments) and contingent consideration is measured at fair value
- (b) defined benefit plans - plan assets measured at fair value

The financial statements are approved for issue by the Company's Board of Directors on April 23, 2026.

2.2 Critical Accounting estimates and judgements

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions, that affect the reported balances of assets and liabilities and accompanying disclosures and disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements pertain to:

- Useful Lives of Property, Plant and Equipment and Intangible Assets: The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant and equipment and Intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods. Refer note 3 and note 4 for further details.

- Impairment Testing: Property, plant and equipment and intangible assets that are subject to depreciation/ amortisation are tested for impairment periodically including when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

- Income Taxes: Deferred tax assets are recognised to the extent that it is regarded as probable that deductible temporary differences can be realised. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit and Loss. Refer Note 28 for further details.

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case laws and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore, the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit and Loss.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Defined Benefit Plans: The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date. Refer note 29 for further details.

The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value and the fair value of any plan assets are deducted.

- Fair value Measurement of Financial Instruments: The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. This involves significant judgements in the selection of a method in making assumptions that are mainly based on market conditions existing at the Balance Sheet date and in identifying the most appropriate estimate of fair value when a wide range of fair value measurements are possible. Refer note 30 for further details.

- Impairment of financial assets: The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 31 details how the Company determines whether there has been a significant increase in credit risk.

- Contingent Liability: The management evaluates possible obligation that arises from past events whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The estimates of outcome and financial effect are determined by the judgement of the management of the entity, supplemented by experience of similar transactions and, in some cases, reports from independent experts. Refer note 33 for further details.

2.3 Going Concern

The Company has earned a profit of Rs. 120.29 millions during the year ended March 31, 2026 and net worth of Rs. 1,814.34 millions as at that date. However, it has accumulated losses of Rs. 568.43 millions and its current liabilities exceeds its current assets by Rs. 349.10 millions.

The Company has assessed its capital and financial resources, profitability and overall liquidity position. In developing the assumptions and estimates relating to the future uncertainties in the economic conditions, the Company as at the date of approval of these financial statements has used internal and external sources of information and based on current estimates, expects to recover the carrying amounts of assets.

In view of the above, along with financial support from its shareholders, the Company believes that it will be able to meet all its contractual obligations and liabilities as and when they fall due in near future and accordingly, these financial statements have been prepared on a going concern basis.

2.4 Current / non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- a. it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is expected to be realised within 12 months after the reporting date; or
- d. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a. it is expected to be settled in the entity's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is due to be settled within twelve months after the balance sheet date; or
- d. the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current liabilities.

All other liabilities are classified as non-current.

2.5 Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities."

Material accounting policies

a. Functional and presentation currency

The financial statement are presented in Indian Rupees (Rs.) which is the functional currency of the company and the currency of the primary economic environment in which the Company operates. All values are rounded to the nearest million (INR 000,000), except when otherwise indicated.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss. They are deferred in equity if they relate to qualifying cash flow hedges and qualifying net investment hedges or are attributable to part of the net investment in a foreign operation. A monetary item for which settlement is neither planned nor likely to occur in the foreseeable future is considered as a part of the entity's net investment in that foreign operation.

All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses).

Subsequent measurement

Foreign currency transactions subsequently are accounted using the exchange rates as at that date and difference, if any, between the exchange rates as at the subsequent date and the date of the balance sheet is recognised as income or expense in the Statement of Profit and Loss.

b. Cash and cash equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

c. Cash Flow Statement

Cash flows are reported using indirect method in accordance with Ind AS 7, whereby profit / (loss) before tax for the year is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

d. Earnings per share

Basic earnings per share is computed by dividing the profit or loss after tax by the weighted average number of equity shares outstanding during the year adjusting the bonus element for all the reported period arising on account of issue of equity shares on rights and including potential equity shares on compulsory convertible debentures. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share adjusted for the effects of all dilutive potential equity shares. Ordinary shares that will be issued upon the conversion of a mandatorily convertible instrument are included in the calculation of basic earnings per share from the date the contract is entered into.

e. Revenue recognition and other income

Revenue is recognised at an amount that reflects the consideration to which the Company expects to be entitled in exchange for transferring the goods or services to a customer i.e. on transfer of control of the goods or service to the customer. Revenue from sales of goods or rendering of services is net of Indirect taxes, returns and discounts.

Income from operations

Rooms, Food and Beverage & Banquets: Revenue is recognised at the transaction price that is allocated to the performance obligation. Revenue includes room revenue, food and beverage sale and banquet services which is recognised once the rooms are occupied, food and beverages are sold and banquet services have been provided as per the contract with the customer.

Other Allied services

In relation to laundry income, communication income, health club income, airport transfers income and other allied services, the revenue has been recognised by reference to the time of service rendered.

Some contracts include multiple performance obligations, such as sale of food and beverages and room revenue. These are considered as separate performance obligations as, the customer can benefit from the good or service on its own and the good or services are distinct within the context of the contract. Where the contracts include multiple performance obligations, the transaction price will be allocated to each performance obligation based on the stand-alone selling prices.

A contract asset viz. unbilled revenue is recognized in respect of those performance obligations where the control of the goods has been transferred to the buyer, and only the act of invoicing is pending.

A contract liability is recognised where the customer has paid in advance, but the services are yet to be rendered by the Company or the payment exceeds the services rendered.

A deferred revenue is recognised for revenue where performance obligations under the sales contract are to be satisfied.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the company does not adjust any of the transaction prices for the time value of money.

Interest income

Interest income is recognised on a time proportion basis taking into account amount outstanding using effective interest rate method.

f. Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation (other than freehold land) and accumulated impairment losses, if any.

All property, plant and equipment are initially recorded at cost. Cost includes the acquisition cost or the cost of construction, including duties and non-refundable taxes, expenses directly related to bringing the asset to the location and condition necessary for making them operational for their intended use. Initial estimate of costs of dismantling and removing the item and restoring the site on which it is located is also included if there is an obligation to restore it.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Depreciation is charged to the Statement of Profit and Loss so as to expense the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight line method, as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets had been re-assessed as under based on technical evaluation, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support, etc."

Based on the above, the estimated useful lives of the property, plant and equipment are as follows:

Category of assets	Useful life as per Schedule II (in years)	Useful life as per Technical Assessment (in years)
Buildings	60 years	60 years
Plant and machinery	15 years	8 years and 15 years
Furniture and fixtures	8 years	8 years and 15 years
Computers	3 years	3 years
Vehicles	6 years	8 years
Office equipments	5 years	5 years

Freehold land is not depreciated. The assets' useful lives and residual values are reviewed at the Balance Sheet date and the effect of any changes in estimates are accounted for on a prospective basis. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

Capital work-in-progress (CWIP) represents expenditure incurred on construction, development, renovation or expansion of hotels that is not yet ready for its intended use. CWIP is recognised as an asset when it is probable that future economic benefits will flow to the Company and the cost can be reliably measured. CWIP is measured at cost, which comprises of cost of land development, construction cost, plant & machinery, directly attributable costs such as employee benefit expense, architectural, design, project management, interior design, installation, testing commission, borrowing cost capitalised as per Ind AS 23.

Subsequent expenditure relating to property, plant and equipment and capital work in progress is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

g. Intangible assets:

Intangible assets are initially measured at acquisition cost including any directly attributable costs of preparing the asset for its intended use and are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation of intangible assets during the year is recognised in the Statement of Profit and Loss. Intangible assets with finite lives are amortised over their estimated useful economic life and assessed for impairment, whenever there is an indication that the intangible asset may be impaired. The estimated useful life used for amortising for intangible assets is as under:

Class of asset	Estimated useful life
Computer software	6 years

An intangible asset is derecognised on disposal or when no future economic benefits are expected to arise from the continued use of the asset. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss, when the asset is derecognised.

Goodwill is measured at cost less any accumulated impairment losses. Goodwill attributable to the acquisition of Udaipur hotel undertaking of HLV Limited is, from the acquisition date, allocated to cash-generating units that are expected to benefit from the combination.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

h. Impairment of assets

Assets that are subject to amortisation and depreciation, and goodwill are reviewed for impairment periodically including whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss. When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss to the extent that it eliminates the impairment loss which has been recognised for the asset in prior years.

i. Taxation

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity, respectively.

Current tax

Current tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the applicable tax rates and the prevailing tax laws.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax

Deferred income tax is recognised using the balance sheet approach. Deferred tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred tax arises from the initial recognition of goodwill, an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction and does not give rise to equal taxable and deductible temporary differences. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

j. Employee benefits

Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include salary, wages and bonus, short term compensated absences such as paid annual leave and sickness leave. The undiscounted amount of short-term employee benefits (including leave obligation) expected to be paid in exchange for the services rendered by employees is recognized as an expense during the period of rendering of service by the employee.

The obligations are presented as current liabilities in the balance sheet if the Company does not have an unconditional right to defer the settlement for at least twelve months after the reporting date.

Long term employee benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are recognized as an expense when employees have rendered service entitling them to the contributions.

Defined benefit plans

(Post-employment benefit)

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value and the fair value of any plan assets are deducted. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation by an independent actuary using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gain or loss is recognised in Other Comprehensive income.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on government securities as at the balance sheet date.

When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of any economic benefits available in the form of refunds from the plan or reductions in future contributions to the plan ("the asset ceiling").

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets.

Other long-term employee benefits

Compensated absences

The employees can carry forward a portion of the unutilised accrued compensated absences beyond 12 months and utilise it in future service periods or received cash compensation on termination of employment. The Company records obligation for compensated absences in the period in which the employee renders services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the Projected Unit credit method. The discount rates used for determining the present value of the liability is based on the market yields on Government securities as at the balance sheet date.

k. Inventories

Stock of food and beverages and stores and operating supplies are carried at the lower of cost (computed on a weighted average basis) or net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Cost includes the fair value of consideration paid including duties and taxes (other than those refundable), inward freight and other expenditure directly attributable to the purchase. Trade discounts and rebates are deducted in determining the cost of purchase.

l. Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a binding present obligation. This may be either legal because it derives from a contract, legislation or other operation of law, or constructive because the Company created valid expectations on the part of third parties by accepting certain responsibilities. To record such an obligation it must be probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation. The amount recognised as a provision and the indicated time range of the outflow of economic benefits are the best estimate (most probable outcome) of the expenditure required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. Non-Current provisions are discounted for giving the effect of time value of money.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is probable. Provisions, contingent assets and contingent liabilities are reviewed at each balance sheet date.

m. Financial instruments

(i) Classification

The company classifies its financial assets in the following measurement categories

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income.

(ii) Recognition

Regular way purchases and sales of financial assets are recognised on trade-date, being the date on which the company commits to purchase or sale the financial asset.

(iii) Measurement

At initial recognition, the company measures a financial asset at its fair value (trade receivable is measured at transaction price) plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in Other Income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other gains/(losses). Impairment losses are presented as separate line item in the statement of profit and loss.
- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established. Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Compound financial instruments issued by the Company comprise convertible debentures denominated in Rupees that can be converted to equity shares at the option of the holder, when the number of shares to be issued is fixed and does not vary with changes in fair value. The liability component of compound financial instruments is initially recognised at the fair value of a similar liability that does not have an equity conversion option. The equity component is initially recognised at the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability component. Any directly attributable transaction costs are allocated to the liability and equity components in proportion to their initial carrying amounts. Subsequent to initial recognition, the liability component of a compound financial instrument is measured at amortised cost using the effective interest method. The equity component of a compound financial instrument is not remeasured subsequently. Interest related to the financial liability is recognised in profit or loss (unless it qualified for inclusion in the cost of an asset). On conversion at maturity, the financial liability is reclassified to equity and no gain or loss is recognised.

Impairment of financial assets

The Company assesses on a forward-looking basis the expected credit losses associated with its debt instruments carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109, which requires expected lifetime losses to be recognized from initial recognition of the receivables. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in a provision matrix. For other financial assets (not being equity instruments or debt instruments measured subsequently at FVTPL) the expected credit losses are measured at the 12 month expected credit losses or an amount equal to the lifetime expected credit losses if there has been a significant increase in credit risk since initial recognition.

n. Trade and other receivables

A trade receivable without a significant financing component is initially measured at the transaction price in accordance with Ind AS 115.

Other receivables are recognised initially at fair value plus or minus transaction costs and subsequently measured at amortised cost using the effective interest method, less loss allowance.

Classification & measurement of financial liabilities

o. Trade and other payables

Trade payables are initially measured at fair value, and are subsequently measured at amortised cost, using the effective interest rate method. If payment is expected in one year or less, they are classified as current liabilities. If not, they are presented as non-current liabilities.

p. Borrowings

Borrowings are recognized initially at fair value, net of transaction costs incurred. Borrowings are subsequently carried at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the statement of profit or loss over the period of the borrowings using the effective interest rate method.

Borrowings are classified as non-current liabilities if the Company has an unconditional right to defer settlement of the liability for at least 12 months after the statement of financial position date. If not, they are presented under current borrowings.

Covenants that the company is required to comply with, on or before the end of the reporting period, are considered in classifying loan arrangements with covenants as current or non-current. Covenants that the company is required to comply with after the reporting period do not affect the classification.

Derecognition of financial asset & financial liabilities

A financial asset (or, a part of a financial asset) is primarily derecognized when:

- (i) The contractual right to receive cash flows from the financial assets expire, or
 - (ii) The Company transfers the financial assets or its right to receive cash flow from the financial assets and substantially all the risks and rewards of ownership of the asset to another party.
- A financial liability (or, a part of financial liability) is derecognized when the obligation specified in the contract is discharged or cancelled or expires.

Derecognition of financial liabilities

Ind AS 109 requires an entity to determine whether the present value of the new cash flows under the new terms is at least 10% different from the present value of the remaining cash flows of the original liability, using the original effective interest rate. If the difference is 10% or greater, the existing liability is de-recognised and a new financial liability is recognised.

An entity has an accounting policy choice: either it can apply only the quantitative 10% test (described above); or, if the 10% test is passed, it could choose to also perform a qualitative assessment for de-recognition. If the 10% test is failed, however, the existing liability is de-recognised, regardless of whether the entity's policy is to also perform a qualitative analysis.

The chosen accounting policy should be applied consistently and disclosed.

Qualitative analysis

Determining whether the terms are substantially different, from a qualitative perspective, is judgemental and will depend on the specific facts and circumstances of each case.

Changes to the terms of the liability might be significant, on a qualitative basis, if they significantly affect the economic risks of the liability. Alternatively, the substance of the modification might be that the existing liability is prepaid/settled and a new liability has been issued.

Qualitative factors include, but are not limited to, the following:

- A change in the currency in which the liability is denominated.
- A change in the interest basis (such as a change from fixed rate to floating rate, or vice versa).
- A change in any conversion features in the instrument.
- A substantial change in covenants.

The liability was prepayable at par, with no significant penalty at the date of the renegotiation, which results in the renegotiated rate approximating the current market rate of interest for the new terms and conditions.

The liability was close to its maturity date at the date of the renegotiation and was extended for a significant additional period, which results in the renegotiated rate approximating the current market rate of interest for the new terms and conditions (including the new maturity date).

Gain or loss on derecognition

Gain or loss on derecognition of a financial asset or liability measured at amortised cost is recognized in the statement of comprehensive income at the time of derecognition. Derecognition gain/loss on financial assets other than equity instruments measured at FVOCI is recycled to profit or loss. Gain or loss on derecognition of equity instruments measured at FVOCI is never recycled to profit or loss.

q. Offsetting of financial asset and liabilities

Financial assets and liabilities are offset and the net amount reported in the balance sheet where Company currently has a legally enforceable right to offset the recognized amounts, and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

r. Borrowing costs

General and specific borrowing costs directly attributable to the acquisition or construction of qualifying assets that necessarily takes substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

Interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Borrowing costs that are not directly attributable to a qualifying asset are recognised in the Statement of Profit and Loss using the effective interest rate method.

s. Lease- As a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

t. Exceptional items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the Company. These are material items of income or expense that have to be shown separately due to their nature or incidence.

u. Recent pronouncements

The Ministry of Corporate Affairs vide notification dated May 07, 2025 and August 13, 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after April 01, 2025:

Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1

As a result of the adoption of the amendments to Ind AS 1, the Company changed its accounting policy for the classification of borrowings:

"Borrowings are classified as current liabilities unless, at the end of the reporting period, the company has a right to defer settlement of the liability for at least 12 months after the reporting period. Covenants that the company is required to comply with, on or before the end of the reporting period, are considered in classifying loan arrangements with covenants as current or non-current. Covenants that the company is required to comply with after the reporting period do not affect the classification."

This new policy did not result in a change in the classification of borrowings. The Company did not make retrospective adjustments as a result of adopting the amendments to Ind AS 1.

Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107

As a result of the adoption of the amendments to Ind AS 7 and Ind AS 107, the Company does not expect material impact of these amendments in its financial statements.

International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12

The Company is not within the scope of the OECD Pillar Two Model Rules, as Pillar Two legislation has not yet been enacted in any of the jurisdictions in which the company operates.

Lack of Exchangeability – Amendments to Ind AS 21

The amended Ind AS 21 have added requirements to help entities to determine whether a currency is exchangeable into another currency, and the spot exchange rate to use where it is not. These amendments did not have any material impact on the amounts recognised in current periods and are not expected to significantly affect the future periods.

v. Recent Indian Accounting Standards (Ind AS) issued not yet effective:

Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1

This amendment also includes specific provisions that will take effect for reporting periods beginning on or after April 01, 2026, as outlined below.

Under the existing Ind AS 1, where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

However, the amended requirements stipulate that entities will no longer be permitted to consider lender waivers that are granted after the reporting date but before the financial statements are approved for the purpose of classification of loans. This amendment is required to be applied retrospectively in accordance with Ind AS 8.

The Company does not expect this amendment to have an impact on its operations or financial statements.

Goodwill represents the cost of acquired business as established at the date of acquisition of the business in excess of the acquirer's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities less accumulated impairment losses, if any.

The Company tests goodwill for impairment at least annually, or more frequently if events or changes in circumstances indicate that it might be impaired. For the purpose of impairment testing, goodwill, which arose on acquisition of the assets/entities, is allocated to a cash generating unit "CGU" representing the lowest level with the company at which goodwill is monitored for internal management reporting purposes. The carrying value of the cash generating unit is the carrying value of the net assets of the entity.

The recoverable value in use of the CGU is determined on the basis of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

The carrying amount of goodwill is Rs. 158.56 millions (March 31, 2025 : 158.56 millions). The estimated value-in-use of this CGU is based on the future cash flows using a 5% annual growth rate for periods subsequent to the forecast period of 5 years and a discount rate of 12.50% p.a. An analysis of the sensitivity of the computation to a change in key parameters (EBITDA, discount rates and terminal value), based on reasonable assumptions, did not identify any probable scenario in which the recoverable amount of the CGU would decrease below its carrying amount.

Goodwill is initially recognised based on the accounting policy for business combinations and is tested for impairment annually

Other intangible assets are provided as collateral security against the term loans availed by the company (refer note 15)

The outcome of the Company's goodwill impairment test as performed in March 2026 did not result in any impairment of goodwill. As there were no change in indicators for impairment of the CGU, the impairment calculations have not been updated during the year ended March 31, 2026.

Terms, rights, preferences and restrictions attached to equity shares

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not show of hands) are in proportion to its share of the paid-up equity capital of the Company.

On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company.

Nature and purpose of reserves:

Equity component of compound financial instrument

This represents the equity portion of compulsory convertible debentures issued to Project Ballet Udaipur Holdings (DIFC) Private Limited.

Securities premium

Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Act.

Retained earnings

Retained earnings represents surplus/accumulated earnings of the Company and are available for distribution to shareholders.

Retained earnings - fair value as deemed cost

As per Ind AS 101, the Company has elected to measure its items of property, plant and equipment at the date of transition to Ind AS at its fair value and used that fair value as its deemed cost at that date.

Other equity

This reserve represents loss recorded on transactions with shareholders on conversion of compulsorily convertible debentures ("CCD") under share purchase agreement to acquire subsidiaries under common control.

Notes:

I As at 31-Mar-26:

A. 1 New Term Loan I - Refinancing of existing term loans and corporate term loans

The lender, during the year, has refinanced existing term loan and corporate term loan, under a Term Loan Agreement dated December 31, 2025. The aggregate loans refinanced amounts to Rs. 2,641.22 millions. The door to door tenure of the term loan is 15 years, without moratorium. The loan is repayable in structured quarterly repayments beginning from March 31, 2026. The loan carries interest rate linked to lender's 3 months marginal cost of funds based lending rate ("MCLR"), subject to monthly interest rests. The Company has an outstanding loan balance of Rs. 2,625.27 millions (March 31, 2025: NA), undrawn facility of Rs. Nil millions (March 31, 2025 : NA) and rate of interest as on March 31, 2026 is 8.25% p.a.(March 31, 2025: N.A.).

a) Primary security:

As a part of the overall security package, following securities are offered:

- All present and future current assets of Schloss Udaipur Private Limited (Udaipur Hotel), Schloss Chennai Private Limited (Chennai Hotel), Tulsi Palace Resort Private Limited (Jaipur) and Schloss Chanakya Private Limited (Chanakya/Delhi Hotel).
- All present and future immovable assets of Schloss Udaipur Private Limited (Udaipur Hotel), Schloss Chennai Private Limited (Chennai Hotel) and Tulsi Palace Resort Private Limited (Jaipur). Negative lien on moveable and immovable assets of Schloss Chanakya Private Limited (Chanakya/Delhi Hotel).
- All movable assets of Schloss Udaipur Private Limited (Udaipur Hotel), Schloss Chennai Private Limited (Chennai Hotel) and Tulsi Palace Resort Private Limited (Jaipur) including movable plant and machinery, machinery spares, tools and accessories, furniture, fixtures, vehicles, etc. and all current assets, both present and future relating to the Company (Udaipur Hotel), Schloss Chennai Private Limited (Chennai Hotel) and Tulsi Palace Resort Private Limited (Jaipur).
- Exclusive charge over, all bank accounts including DSRA, TRA / escrow / designated account of Schloss Udaipur Private Limited (Udaipur Hotel), Schloss Chennai Private Limited (Chennai Hotel), Tulsi Palace Resort Private Limited (Jaipur Hotel) and Schloss Chanakya Private Limited (Chanakya/Delhi Hotel).

Loan covenants: Under the terms of the borrowing facilities, the following covenants are required to be maintained:

Loan to Value Ratio: Maximum 75%,
Fixed Assets Coverage Ratio: Minimum 1.25,
Debt Service Coverage Ratio: Minimum 1.15.

The Company has met all the loan covenants during the year.

c) Current maturities of long-term borrowings are classified as short-term borrowings.

A. 2 New Term Loan II - Capital expenditure

The lender, during the year, has granted a capex term loan under a Term Loan Agreement dated February 20, 2026 with a sanctioned limit of Rs. 2,750 millions which is fungible across Schloss Udaipur Private Limited, Schloss Chennai Private Limited and Tulsi Palace Resort Private Limited and of Rs. 1,250 millions to Schloss Chanakya Private Limited. The door to door tenure of such refinanced loan is 15 years, with a moratorium on principal repayments of 2 years from the first date of disbursement. Accordingly, the loan is repayable in quarterly repayments beginning from March 31, 2028. The loan carries interest rate linked to lender's 3 months marginal cost of funds based lending rate ("MCLR"), with monthly interest rests. The interest rate benchmark is subject to reset on a quarterly basis. The Company has an outstanding loan balance of Rs. 146.78 millions (March 31, 2025: NA), undrawn facility of Rs. 1,795.77 millions (March 31, 2025 : NA) and rate of interest as on March 31, 2026 is 8.25% p.a.(March 31, 2025: N.A.).

Loan covenants: Under the terms of the borrowing facilities, all the Company's are required to maintain the following covenants:

Debt-Equity Ratio: 80:20,
Loan to Value Ratio: Maximum 75%,
Fixed Assets Coverage Ratio: Minimum 1.25,
Debt Service Coverage Ratio: Minimum 1.15.

The Company has met all the loan covenants during the year.

c) The primary charge on assets is the same as mentioned in I.A.1.a above.

d) Current maturities of long-term borrowings are classified as short-term borrowings.

Schloss Udaipur Private Limited
Notes to financial statements for the period ended March 31, 2026
 (All amounts are in Rupees in millions except otherwise stated)

A.3 The lender has granted a Working capital term loan (WCTL) Facility under Guaranteed Emergency Credit Line 3.0 (GECL 3.0) facility of Rs. 570 millions on December 09, 2021 to the Company to augment net working capital, requirements to meet operational liabilities. The door to door tenure of the loan is 6 years including moratorium of principal of two years. The loan is repayable in 48 monthly structured instalments beginning January 2024. The loan carries interest rate linked to lender's six months marginal cost of funds based lending rate ("MCLR") subject to half yearly reset.

a) Primary security:
 Second charge on securities mentioned in I.A.1.a. above.

b) Current maturities of long-term borrowings are classified as short term borrowings.

A.4 Inter corporate deposit from related party

a) Inter corporate deposit has been taken from Leela Palaces Hotels & Resorts Limited (formerly known as "Schloss Bangalore Limited") (formerly known as "Schloss Bangalore Private Limited") of Rs. 176.09 millions (March 31, 2025: Rs. Nil millions) and from Schloss Chanakya Private Limited of Rs. 210.05 millions (March 31, 2025: Rs. Nil millions). The ICD carries interest rate of 10.75 % p.a and repayable after 10 years.

II As at 31-Mar-25:

A Term loan from bank

A.1 The lender has granted a term loan facility under the Common Facility Agreement dated 30 September 2019 to the Company and co-borrowers i.e. Schloss Chennai Private Limited, Leela Palaces Hotels & Resorts Limited (formerly known as "Schloss Bangalore Limited") (formerly known as "Schloss Bangalore Private Limited") (formerly known as Schloss Bangalore Private Limited), Schloss Chanakya Private Limited, Schloss HMA Private Limited (w.e.f. March 29, 2025) and Leela Agra Resort Limited (formerly known as "Leela Palaces and Resorts Limited") (w.e.f. March 29, 2025) for a total amounting to Rs. 27,500.00 millions for the purpose of acquisition (Rs. 25,500 millions) and refurbishment of the hotel property (Rs. 2,000 millions) fully fungible amongst each of the co-borrowers and the Company's hotel property in Udaipur. The door to door tenure of the loan is 15 years including moratorium of one year. The loan is repayable in 56 quarterly structured instalments beginning December 31, 2020. The loan carries interest rate linked to lender's one year marginal cost of funds based lending rate ("MCLR"), subject to annual reset, plus spread of 0.10%. The Company has undrawn facility of Rs. Nil (March 31, 2024 : Nil) and rate of interest as on March 31, 2025 is 9.10 % p.a. (March 31, 2024: 8.70% p.a.) with monthly rests. With the gradual drawdown of capex in the past three years the individual limits set for Schloss Chennai Private Limited and Schloss Udaipur Private Limited got exhausted and an application to the lender was made for revision in the individual limits. However, due to the system limitation at the end of the lender, the same cannot be revised and accordingly a cross utilisation of capex limit was done during the year. The Company has been cross charged the interest expense on such utilisation.

(a) Primary security:
 The total term loan under the said agreement is secured against assets of the Company, other co-borrowers and obligators i.e. Schloss HMA Private Limited and Leela Agra Resort Limited (formerly known as "Leela Palaces and Resorts Limited") (upto March 28, 2025) under the Common Facility Agreement, inter alia, including:

- Exclusive charge on the total assets (including mortgage of property and / or mortgage of leasehold rights in case of leasehold property, if any) (present & future).
- Exclusive charge on brand 'Leela' pertaining to Hotels, other intangibles, Goodwill, Intellectual Property (IP), uncalled capital (present and future).
- Exclusive charge on all bank accounts including but not limited to Escrow account (present & future).
- First charge on the total current assets (present and future).
- Hypothecation of cash flows.

(b) Other security:

- Pledge of 30% shares of the Company held by Schloss Udaipur Private Limited., Holding company, in favour of security trustee for the benefit of lenders for the entire term loan exposure.
- A guarantee of BSREP III India Ballet Holdings (DIFC) Limited., intermediate holding company of fellow subsidiary company, situated at Dubai upto an amount of Rs. 3,000 millions, enforceable at Dubai towards meeting the shortfall in debt service obligations from 31 March 2022. The aforesaid guarantee has been released during the year ended March 31, 2026.
- A guarantee of Schloss HMA Private Limited and Leela Agra Resort Limited (formerly known as "Leela Palaces and Resorts Limited"), fellow subsidiaries, was upto March 28, 2025.
- Mortgage on the land situated at Agra owned by Leela Agra Resort Limited (formerly known as "Leela Palaces and Resorts Limited").

(c) Moratorium on interest:

Company has availed the moratorium facility for interest on term loan for the period March, 2020 to August 2020 which has been further capitalised into term loan w.e.f. 01 October 2020 amounting to Rs. 128.58 millions (Previous year Rs. 128.58 millions).

(d) The quarterly returns or statements of current assets i.e. stock statement, FFRs etc. filed by the Company with banks or financial institutions are in agreement with the books of account.

(e) Loan covenants: Under the terms of the borrowing facilities, all the co-borrowers including the Schloss HMA Private Limited entity are required to maintain the following covenants:

Fixed Assets Coverage Ratio 1.52,
 Debt Service Coverage Ratio 1.34,
 Interest Coverage Ratio 1.89,
 Debt/Earnings before Interest, Tax and depreciation 5.64

The Company has met all the loan covenants during the year.

(f) Current maturities of long-term borrowings are classified as short-term borrowings.

The above loan has been refinanced during the year ended March 31, 2026.

A.2 Corporate Term Loan:

The lender has granted a corporate term loan facility under the Agreement dated February 02, 2024 to the Company and co-borrowers i.e. Leela Palaces Hotels & Resorts Limited (formerly known as "Schloss Bangalore Limited") (formerly known as "Schloss Bangalore Private Limited"), Schloss Chennai Private Limited, Schloss Chanakya Private Limited, Schloss HMA Private Limited (w.e.f. March 29, 2025) and Leela Agra Resort Limited (formerly known as "Leela Palaces and Resorts Limited") (w.e.f. March 29, 2025) for a total amounting to Rs. 1,500.00 millions for the purpose of ongoing capital expenditure ("capex") of the Company and other co-borrowers. Major portion i.e. 2/3rd portion of the sanctioned loan to be utilized in Leela Palaces Hotels & Resorts Limited (formerly known as "Schloss Bangalore Limited") (formerly known as "Schloss Bangalore Private Limited") and remaining 1/3rd will be utilized each by Schloss Chanakya Private Limited, Schloss Udaipur Private Limited and Schloss Chennai Private Limited. The rate of interest is 0.10% 1 year MCLR i.e. 9.00% p.a., present effective rate is 9.10% p.a. with monthly rests.

a) Security: Refer points II.A.1. (a) and II.A.1.(b) above.

The above loan is refinanced during the year ended March 31, 2026.

Schloss Udaipur Private Limited**Notes to financial statements for the period ended March 31, 2026**

(All amounts are in Rupees in millions except otherwise stated)

A.3 The lender has granted a Working capital term Loan (WCTL) Facility under Guaranteed Emergency Credit Line 2.0 (GECL 2.0) facility of Rs. 570 millions on February 17, 2021 to the Company to augment net working capital, requirements to meet operational liabilities. The door to door tenure of the loan is 5 years including moratorium of principal of one year. The loan is repayable in 48 monthly structured instalments beginning April 30, 2022. The loan carries interest rate linked to lender's six months' marginal cost of funds based lending rate ("MCLR"), plus 0.20%, subject to annual reset. This WCTL facility is secured against the existing primary and collateral securities including mortgages created in favour of the bank.

(a) Primary security:
Second charge on securities mentioned in A.1 above.

(b) Other security:
i) Pledge of 30% shares of the Company held by Schloss Chanakya Private Limited., Holding company, in favour of security trustee for the benefit of lenders for the entire term loan exposure.
ii) Extension of mortgage on the land situated at Agra owned by Leela Agra Resort Limited (formerly known as "Leela Palaces and Resorts Limited").

A.4 The lender has granted a Working capital term Loan (WCTL) Facility under Guaranteed Emergency Credit Line 3.0 (GECL 3.0) facility of Rs. 570 millions on December 09, 2021 to the Company to augment net working capital, requirements to meet operational liabilities. The door to door tenure of the loan is 6 years including moratorium of principal of two years. The loan is repayable in 48 monthly structured instalments beginning January 2024. The loan carries interest rate linked to lender's six months' marginal cost of funds based lending rate ("MCLR"), plus 0.20%, subject to annual reset.

(a) Primary security:
Second charge on securities mentioned in Term loan from Bank above.

(b) Other security:
i) Pledge of 30% shares of the Company held by Schloss Chanakya Private Limited, Holding company, in favour of security trustee for the benefit of lenders for the entire term loan exposure.
ii) Extension of mortgage on the land situated at Agra owned by Leela Agra Resort Limited (formerly known as "Leela Palaces and Resorts Limited").

(c) Current maturities of long-term borrowings are classified as short term borrowings.

29 Employee Benefit Obligation

a) Compensated absences

Compensated absences covers the Company's liability for earned leaves. Accumulated earned leave balances, which are expected to be availed or encashed are treated as employee benefits. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the period end.

The Group's liability is actuarially determined (using the Projected Unit Credit method) by an Independent actuary at the end of the year. Actuarial losses/ gains are recognised in statement of profit or loss in the period in which they arise.

The expense of compensated absences (non-funded) for the year ended March 31, 2026 amounting to Rs. 2.27 millions (March 31, 2025: Rs. 0.35 millions) has been recognized in statement of profit and loss, based on actuarial valuation carried out using projected unit credit method.

b) Post employment obligations

Provident fund and Employees State Insurance Commission - Defined contribution plan.

The Company has defined contribution plans for provident fund for qualifying employees. Under the plan, the Group is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions payable under these plans are at rates specified in the rules of the schemes.

The contributions are charged to statement of profit and loss as they accrue. The amount of expense towards contribution to provident fund and employees state insurance for the year ended March 31, 2026 aggregated to Rs. 7.05 millions (March 31, 2025: Rs. 7.37 millions).

Amounts recognised in Statement of Profit and Loss:

	For the year ended March 31, 2026	For the year ended March 31, 2025
Defined contribution plan		
- Employer's contribution to provident and other funds	7.05	7.37
Total	7.05	7.37

Defined benefit plans - Gratuity

The Company operates post-employment funded defined benefit plan that provides gratuity. The scheme provides for lumpsum payment to eligible employees on retirement, death while in employment or on termination of employment, of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of nine months subject to a limit of Rs. 20 lakhs. The amounts in excess of the limit are to be borne by the Company as per policy. Eligibility occurs upon completion of five years of service.

The present value of the defined benefit obligation and current service cost are measured using the projected unit credit method with actuarial valuations being carried out at each balance sheet date.

Defined benefit plans

Employer contributions	-	-	-
Benefit payments	(0.27)	0.27	-
For the year ended March 31, 2026	11.08	(2.48)	8.60

Significant actuarial assumptions were as follows:

	For the year ended March 31, 2026	For the year ended March 31, 2025
Discount rate (p.a.)	6.77% p.a.	7.25% p.a.
Salary growth rate (p.a.)	8.00% p.a.	8.00% p.a.
Retirement age	62	62
Mortality rates inclusive of provision for disability	100% of IALM (2012 - 14) (Urban)	100% of IALM (2012 - 14)
Attrition at Ages		
- Up to 30 Years	30.00% p.a.	30.00% p.a.
- From 31 to 44 years	25.00% p.a.	25.00% p.a.
- Above 44 years	2.00% p.a.	2.00% p.a.

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Sensitivity analysis

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarizes the change in defined benefit obligation and impact in percentage terms compared with the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points:

	For the year ended March 31, 2026	For the year ended March 31, 2025
a) Impact of the change in discount rate		
Present Value of Obligation at the end of the period	11.08	5.37
Impact due to increase of 0.50%	(0.46)	(0.20)
Impact due to decrease of 0.50%	0.49	0.21
b) Impact of the change in salary increase		
Present Value of Obligation at the end of the period	11.08	5.37
Impact due to increase of 0.50%	0.41	0.21
Impact due to decrease of 0.50%	(0.42)	(0.20)

Sensitivities due to mortality and withdrawals are not material and hence impact of change due to these not calculated. Sensitivities as rate of increase of pensions in payment, rate of increase of pensions before retirement and life expectancy are not applicable.

The major categories of plans assets

The plans assets of the defined benefit plan are covered by the Company into funds managed by insurer.

Maturity analysis

The weighted average duration to the payment of these cash flows is 10 years (March 31, 2025: 4.16 years).

The expected maturity analysis of undiscounted post-employment defined benefit obligations is as follows:

Particulars	Less than a year	Between 1-2 years	Between 2-5 years	Over 5 years	Total
For the year ended March 31, 2026					
- Gratuity	0.79	0.77	2.56	3.29	7.41
Total	0.79	0.77	2.56	3.29	7.41
Particulars	Less than a year	Between 1-2 years	Between 2-5 years	Over 5 years	Total
For the year ended March 31, 2025					
- Gratuity	0.41	0.43	1.09	3.45	5.38
Total	0.41	0.43	1.09	3.45	5.38

Risk exposure:

Gratuity is a defined benefit plan and the Company is exposed to the following risks:

Interest rate risk: A fall in the discount rate which is linked to the Government Security Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future expected salaries of employees. As such, an increase in the salary expected by more than assumed level will increase the plan's liability.

Withdrawal risk: The risk that the usual timeframe for withdrawal requests is not met, or the withdrawals from the fund due to severe adverse market conditions are suspended.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Ind AS 113, 'Fair Value Measurement' requires classification of the valuation method of financial instruments measured at fair value in the Statement of Balance sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements).

The carrying amounts of trade receivables, cash and cash equivalents, fixed deposits with banks, trade payables, capital creditors, security deposits and employee dues payable are considered to be the same as their fair values, due to their short-term nature.

Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis.

The carrying amount of non current borrowings, security deposit liability are fair valued using the current borrowing rate for similar instruments on similar terms. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

Further, the Company has valued compound financial instrument (both financial liability and equity component) at fair value on initial recognition. Financial liability subsequently measured at amortised cost by adding unwinded interest.

The current lending rate and the rate used in determination of fair value at inception for non-current borrowings, security deposits, compound financial instruments are not significantly different. Accordingly, the fair value and carrying value for non-current borrowings, security deposits and compound financial instrument are same.

The fair-value-hierarchy under Ind AS 113 are described below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. .

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There has been no transfer between different fair values hierarchy level for the year ended March 31, 2026 and March 31, 2025.

31 Financial Risk Management

The Company's business activities expose it to market risk, liquidity risk and credit risk. The management develops and monitors the Company's risk management policies. The key risks and mitigating actions are also placed before the Board of directors of the Company. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and to control and monitor risks and adherence to limits.

Finance team and experts of respective business divisions provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The activities are designed to:

- protect the Company's financial results and position from financial risks
- maintain market risks within acceptable parameters, while optimising returns; and
- protect the Company's financial investments, while maximising returns.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

A. Credit Risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk arises from trade receivables, cash and cash equivalents, bank balance, fixed deposits with banks, security deposits, loans and other financial assets. The Company is exposed to credit risk on its financial assets, which comprise cash and cash equivalents, bank deposits, trade receivables and security deposits. The exposure to credit risks arises from the potential failure of counterparties to meet their obligations. The maximum exposure to credit risk at the reporting date is the carrying amount of the financial instruments.

With respect to other financial assets namely security deposits and loans, the maximum exposure to credit risk is the carrying amount of these classes of financial assets presented in the Balance Sheet. These are actively monitored and confirmed by the Company. Currently, the credit risk arising from such security deposits and loans is evaluated to be immaterial for the Company.

Credit Risk on cash and cash equivalents and deposits with the banks/financial institutions is generally low as the said deposits have been made with the banks/financial institutions, who have been assigned high credit rating by international and domestic rating agencies.

Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer and the geography in which it operates. Credit risk is managed through credit approvals and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company operates only in one geographical location i.e. in India. Considering the industry in which the Company is operating, there is no major long outstanding receivables.

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward looking information. The carrying amounts of trade receivables as disclosed in note number 9 represent the maximum credit risk exposure.

The movement in loss allowance in respect of trade receivables is as follows:

	As at March 31, 2026	As at March 31, 2025
Balance at the beginning of the year	1.62	1.39
Impairment losses recognised/(reversed) on receivables	(0.23)	0.23
Amounts written off during the year	-	-
Balance at the end of the year	1.39	1.62

Security deposits, Other financial assets, Cash and Cash Equivalents and Bank Deposits and Loans

With respect to other financial assets namely security and other deposits and other receivables, the maximum exposure to credit risk is the carrying amount of these classes of financial assets presented in the Balance Sheet. These are actively monitored and confirmed by the Company. Currently, the credit risk arising from such security deposits, loans and other receivables is evaluated to be immaterial for the Company.

B. Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. In addition, processes and policies related to such risks are overseen by senior management.

The Company believes that the working capital is sufficient to meet its current requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Also refer note on going concern assessment (Refer Note 2.3). Accordingly, no liquidity risk is perceived.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

Particulars	As at March 31, 2026	As at March 31, 2025
Fixed interest rate	-	-
Floating interest rate	1,795.77	770.27
Total	1,795.77	770.27

(ii) Maturities of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted.

Contractual maturities of financial liabilities

As at March 31, 2026	Carrying amount	Less than 1 Year	Between 1 - 2 years	Between 2 - 5 years	Over 5 years	Total
Borrowings	3,407.95	456.51	395.10	913.14	3,730.04	5,494.79
Trade payables	91.91	91.91	-	-	-	91.91
Other financial liabilities	92.78	92.78	-	-	-	92.78
Total financial liabilities	3592.64	641.20	395.10	913.14	3730.04	5679.48

As at March 31, 2025	Carrying amount	Less than 1 Year	Between 1 - 2 years	Between 2 - 5 years	Over 5 years	Total
Borrowings	3,912.34	677.11	540.52	2,069.28	1,904.77	5,191.69
Trade payables	186.33	186.33	-	-	-	186.33
Other financial liabilities	102.41	102.41	-	-	-	102.41
Total financial liabilities	4201.08	965.85	540.52	2069.28	1904.77	5480.42

C. Market risk

Foreign currency risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign currency rates. The Company makes payments internationally and is exposed to foreign exchange risk arising from foreign currency purchases, primarily with respect to USD and GBP. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the Company's functional currency (Rs.) at the year end. The Company's exposure to foreign currency risk, expressed in Rs., is given in the table below. The amounts represent only the financial assets and liabilities that are denominated in currencies other than the functional currency of the Company.

i. The foreign currency outstanding balances that have not been hedged by any derivative instrument or otherwise are as follows:

As at March 31, 2026			
Liabilities	Foreign Currency Denomination	Foreign Currency Amount (absolute)	Amount (INR in millions)
Trade payables	USD	663.18	0.06
Total exposure			0.06
Less: exposure hedged			(0.06)
Unhedged exposure			-

As at March 31, 2025			
Liabilities	Foreign Currency Denomination	Foreign Currency Amount (absolute)	Amount (INR in millions)
Trade payables	EUR	52,921.57	9.46
Trade payables	USD	1,10,346.91	4.90
Total exposure			14.36
Less: exposure hedged			(14.36)
Unhedged exposure			-

The Company has purchased forward contracts to hedge its foreign currency risk. The Company has not formally designated these forward contracts against foreign currency payables.

The following table presents the outstanding position and fair value of various foreign currency derivative financial instruments:

As at March 31, 2026				
	Currency pair	Average exchange rate	Notional value (in millions)	Fair value (INR in millions)
Non-designated				
Buy	USD/Rs.	95.85	0.06	-
Total				-

As at March 31, 2025				
	Currency pair	Average exchange rate	Notional value (in millions)	Fair value (INR in millions)
Non-designated				
Buy	USD/Rs.	86.16	9.51	-
Buy	EUR/Rs.	93.57	4.95	-
Total				-

ii. Foreign exchange sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments. The table below shows the sensitivity of profit or loss to a 1%

	Impact on Profit or Loss	
	For the year ended March 31, 2026	For the year ended March 31, 2025
EUR sensitivity		
Rs./ EUR - Increase by 1%*	-	(0.09)
Rs./ EUR - Decrease by 1%*	-	0.09
USD sensitivity		
Rs./ USD - Increase by 1%*	(0.00)	(0.05)
Rs./ USD - Decrease by 1%*	0.00	0.05

b) Interest rate risk

Interest rate risk is the risk that changes in market interest rates will lead to changes in fair value of financial instruments or changes in interest income, expense and cash flows of the Company.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are included in the table below. As at the end of the reporting period, the Company had the following variable rate borrowings outstanding:

As at March 31, 2026			
	Interest rate range	Balance	% of total loans
Rupee loan	3 months MCLR subject to quarterly reset	2,772.05	81%
Working capital term loan	6 months MCLR subject to half yearly reset	249.76	7%
As at March 31, 2025			
	Interest rate range	Balance	% of total loans
Rupee loan	MCLR + spread of 0.10% subject to annual reset	3,377.05	86%
Working capital term loan	MCLR + 0.20% subject to half yearly reset	535.29	14%

Cash flow sensitivity analysis for variable rate instruments

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

	As at March 31, 2026	As at March 31, 2025
	Impact on profit after tax	Impact on profit after tax
Interest sensitivity		
Interest rates – increase by 100 basis points	30.22	39.12
Interest rates – decrease by 100 basis points	(30.22)	(39.12)

32 Capital Management

The Company considers its total equity as shown in the balance sheet including share capital and retained earnings as the components of its balance sheet of managed capital. The Company's objectives when managing capital are:

- Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure. The management monitors the return on capital as well as the level of dividends to shareholders.

The gearing ratios were as follows:

	As at March 31, 2026	As at March 31, 2025
Borrowings	3,407.95	3,912.34
Less: Cash and Cash Equivalents	(36.93)	(61.54)
Less: Other Balance with bank (short term deposits)	(39.71)	(351.99)
Net Debt	3,331.31	3,498.81
Total equity	1,814.34	1,694.45
Net debt to equity ratio	1.84	2.06

Loan covenants: Under the terms of the major borrowing facilities, the Company is required to comply with financial covenants as disclosed under note 15. The Company has complied with the applicable financial covenants as at each reporting date.

33 Contingent liabilities

Particulars	As at March 31, 2026	As at March 31, 2025
Claims against the Company not acknowledged as debt, in respect of -		
Rajasthan Micro and Small Enterprises Facilitation Council and Nutan Deco Mark Private Limited (Note - i)	-	2.30
Disputed statutory liabilities (Note - ii)	24.77	29.08
Total	24.77	31.38

(i) The details of claims against the Company not acknowledged as debts is as under:

(a) The Micro, Small and Medium Enterprises Facilitation Council ("Council") passed an ex-parte award in 2018 directing HLV Limited to pay Rs. 0.80 millions for amount not paid against the supplies made in 2008 along with interest. HLV Limited have in 2019 obtained stay from Commercial court, Jaipur staying the order of the Council and appeal before the court is pending. Pursuant to the Order dated 16th February 2026 passed by the Hon'ble Commercial Court, the impugned Award issued by the Micro and Small Enterprises Facilitation Council, Jaipur stands quashed and set aside.

(ii) The details of disputed statutory liability is as under:

The breakup of disputed statutory liabilities is as under:

Particulars	As at March 31, 2026	As at March 31, 2025
Disputed statutory liabilities		
Income Tax	19.62	15.96
Value Added Tax	3.51	11.61
Goods and Services Tax	1.64	1.51
Total	24.77	29.08

a) Income Tax

1. The Income Tax department had issued notice u/s 143(2) of The Income Tax Act requesting preliminary information for A.Y. 2020-2021, for which assessment order u/s 143(3) of The Income Tax Act has been passed. The tax amount as per the order was of Rs. 15.21 millions against which Rs. 3.04 millions has been paid. The Company has filed an appeal with Commissioner of Income Tax (Appeals) against the said order. The Company has filed a response wherein additional documentary evidence has been submitted. An amount of Rs. 3.04 millions is deposited with the department.

2. The Company has been issued intimation u/s 168(1) of The Finance Act with respect to outstanding demand for equalisation levy for A.Y. 2021-22 of Rs. 0.02 millions. The Company has filed a response stating the fact that the entire demand has been paid. No further correspondence has been received from the authorities.

b) Value Added Tax

1. Value Added Tax ("VAT") authorities have issued a notice to the Company alleging short payment of tax. On verification of notice it is observed that authorities have not considered the VAT challan paid by the Company within the due date, hence it has resulted into a tax demand. In this regard, the Company had filed the application for rectification of order and submitted the copy of VAT challans. Appeal against the same has been filed before the Additional Commissioner Udaipur. Additional Commissioner Udaipur has set aside the penalty imposed by the assessing authority vide order but levy of additional tax and interest was maintained by the authority. The Company had already paid the tax demand including interest. The Company is awaiting for the hearing in this matter.

2. VAT authorities have issued Order to the Company demanding excess availment of credit on account of ITC mismatch. In this regard, the Company is in the process of filing rectification application.

The entire demand under dispute of Rs. 3.14 millions is paid under protest.

c) Goods and Services Tax

Goods and Services Tax ("GST") audit team has raised demand on HLVL vide order dated 28.12.2020 by disallowing the exemption (benefit of zero rated supply) claimed by hotel on accommodation services provided to SEZ units alleging that since the services are provided outside the SEZ zone, exemption cannot be provided. The Company has filed an appeal before the appellate authority. An amount of Rs. 0.05 millions has been deposited with the department.

34 Commitments

Particulars	As at March 31, 2026	As at March 31, 2025
Estimated amount of contracts remaining to be executed on capital expenditure related to property, plant and equipment and not provided for	65.65	407.83

Schloss Udaipur Private Limited
Notes to financial statements for the period ended March 31, 2026
(All amounts are in Rupees in millions except otherwise stated)

35 Lease - as a lessor

The Company has given a portion of its building for installation and commissioning of a telecommunication tower on lease. Income of Rs. 1.15 millions (March 31, 2025: Rs. 1.10 millions) has been recognised in Statement of Profit and Loss.

The future minimum lease payments receivable for under the said non-cancellable operating lease are as follows:

Particulars	As at March 31, 2026	As at March 31, 2025
Receivable within one year	1.18	1.15
Receivable between one and five years	2.81	3.23
Receivable more than five years	-	-

36 Segment Information

The primary reporting of the Company has been performed on the basis of business segment. Based on the "management approach" as defined in Ind AS 108 - Operating Segments, the Chief Operating Decision Maker ('CODM') i.e. Board of Directors of the Company, being the CODM has evaluated of the Company's performance at an overall level as one segment which is 'Revenue based in India Location' that includes: (i) Revenue from room services, (ii) Revenue from food and beverages and (iii) Other allied services in a single business segment based on the nature of the services, the risks and returns, the organization structure and the internal financial reporting systems. Accordingly, the figures appearing in these financial statements relate to the Company's single business segment. The Company has significant operations based in India, hence there are no reportable geographical segments in financial statements.

No single customer contributes 10% or more of the Company's total revenue for the year's ended March 31, 2026 and March 31, 2025.
All non-current assets are held by the Company in India, the domicile country. Hence, statement for geographical information is not applicable.

37 Earnings per share

Particulars	For the year ended March 31, 2026	For the year ended March 31, 2025
Basic earnings per share		
Profit for the year (A)	120.29	121.22
Weighted average number of equity shares for the purpose of basic earnings per share (B)	79,57,142	79,57,142
Basic Earnings per equity share C=(A/B) in Rs.	15.12	15.23
Diluted earnings per share		
Profit attributable to the equity holders (A)		
Used in calculating basic earning per share	120.29	121.22
Profit/(loss) attributable to the equity holders used in calculating diluted earnings per share:	120.29	121.22
Weighted average number of shares used as the denominator (B)		
Opening balance	79,57,142	51,07,142
Shares issued on CCD conversion	-	23,75,000
Equivalent shares of CCDs	-	4,75,000
Weighted average number of equity shares used as the denominator in calculating basic earnings per share	79,57,142	79,57,142
Adjustments for calculation of diluted earnings per share		
Weighted average number of equity shares used and potential equity shares used as the denominator in calculating diluted earnings per share*	79,57,142	79,57,142
Diluted** Earnings per equity share C=(A/B) in Rs.	15.12	15.23

Weighted average number of compulsorily convertible debentures (CCDs) included in the denominator in calculating basic earnings as per para 23 of Ind-AS 33.

As the impact of the CCDs was anti-dilutive, resulting in a decrease in loss per share from continuing ordinary activities, the effect thereof has been ignored whilst calculating diluted earnings per share.

Ratio Analysis and its elements

Ratio Analysis	Numerator	Denominator	March 31, 2026	March 31, 2025	% Change	Remarks
Current Ratio	Current Assets	Current Liabilities	0.38	2.66	-86%	Decrease in current ratio is on account of less current assets in the current year compared to previous year.
Debt Equity Ratio	Non - Current Borrowings + Current Borrowings	Total Equity	1.88	2.31	-19%	
Debt Service Coverage Ratio	Profit before tax + Interest (Net) + Depreciation and amortisation expenses	Interest (Net) + Lease Payments + Principal Repayment of long-term Debt	(0.46)	(0.82)	-44%	Decrease in debt service coverage ratio is on account of higher repayments of debt in the current year compared to the previous year.
Return on Equity Ratio	Net Profit after taxes	Average Total Equity	0.07	0.08	-12%	
Inventory Turnover Ratio	Cost of Goods sold	Average Inventory	2.32	2.44	-5%	
Trade Receivables Turnover Ratio	Revenue from operations	Average Trade Receivables	48.97	29.41	67%	Higher trade receivables turnover ratio in the current year is primarily on account of higher revenue from operations in the current year compared to the previous year.
Trade Payables Turnover Ratio	Net Purchases	Average Trade Payables	0.49	0.37	30%	Higher trade payables turnover ratio in the current year is primarily on account of higher purchases in the current year compared to the previous year.
Net Capital Turnover Ratio	Net Sales	Average Working Capital i.e. Average Current Assets - Average Current Liabilities	(472.46)	2.33	-20352%	Reduction is primarily on account of current liabilities exceeding current assets during the current year.
Net Profit Ratio	Net Profit after tax	Net Sales	0.09	0.11	-19%	
Return on Capital employed	EBIT	Capital Employed	0.06	0.10	-39%	Reduction is primarily on account of less EBIT in the current year compared to the previous year.

* The Company has not presented the following ratio's due to reasons given below:

a) Return on Investments - Since the Company does not hold any funds/investments.

(All amounts are in Rupees in millions except otherwise stated)

40 Transfer Pricing

The Company has established a comprehensive system of maintenance of information and documents as required by the transfer pricing legislation under sections 92-92F of the Income-tax Act, 1961. Since the law requires existence of such information and documentation to be contemporaneous in nature, the Company is in the process of updating the documentation for the international transactions entered into with the associated enterprises during the financial year. The Company is required to update and put in place the information latest by the due date of filing its income tax return.

The management is of the opinion that its international transactions are at arm's length so that the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of tax expenses and that of provision for tax.

Management believes the Company's transactions with related parties are at arms length so that the aforesaid legislation will not have any impact on these financial statements, particularly on the amount of tax expenses and that of provision for tax.

41 Exceptional items

On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has restructured the compensation of its employees, and assessed the impact of the changes, consistent with the Labour codes, FAQs and disclosed the incremental impact of these changes on the best information available and consistent with the guidance provided by the Institute of Chartered Accountants of India.

Considering the regulatory-driven and non-recurring nature of this impact, the Company has presented such incremental impact under Exceptional Items amounting to Rs. 3.88 millions in the financial statements for the year ended March 31, 2026. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

42 Other Regulatory Information required by Schedule III

i Details of benami property held

No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

ii Relationship with struck off companies

The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

iii Borrowing secured against current asset

The Company has borrowings from banks and financial institutions on the basis of security of current assets. The quarterly returns or statements of current assets filed by the Company with banks and financial institutions are in agreement with the books of accounts.

iv Registration of charges or satisfaction with Registrar of Companies

The Company does not have any charges or satisfaction which is yet to be registered with Registrar Of Companies (ROC) beyond the statutory period.

v Wilful defaulter

The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

vi Compliance with number of layers of companies

The Company has complied with the number of layers prescribed under the Companies Act, 2013, read with the Companies (Restriction on number of Layers) Rules, 2017.

vii Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or
- provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
- provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

viii Undisclosed income

There is no income surrendered or disclosed as income during the current or previous year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

ix Details of crypto currency or virtual currency

The Company has not traded or invested in crypto currency or virtual currency during the current or previous year.

x Title deeds of immovable properties not held in name of the company

The title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in note 3 to the financial statements, are held in the name of the Company.

xi Utilisation of borrowings availed from banks and financial institutions

The borrowings obtained by the company from banks and financial institutions have been applied for the purposes for which such loans were taken.

xii Compliance with approved scheme(s) of arrangement

The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

43 Subsequent events

There are no events after the reporting year.

The notes referred to above form an integral part of the financial statement.
