*A*s The Leela celebrates 40 years of gracious Indian hospitality, we present this year's Diwali collection in an entirely new expression. Inspired by the timeless artistry of Pichwai and rooted in the spirit of abundance and devotion that defines Nathdwara, Signatures by The Leela brings together India's rich artistic heritage with the beauty of exceptional craftsmanship.

For this special collection, The Leela turns to the artistry of master Pichwai artist Rajaram Sharma, whose lifelong practice is deeply rooted in the traditions of Nathdwara. His work reflects both, the discipline of this remarkable art form and the distinctive hand of an artist who has devoted his life to preserving, interpreting and carrying its beauty forward.

With its intricate compositions, distinctive motifs and rich, evocative colours, Pichwai has been an integral part of Nathdwara's artistic and devotional heritage for centuries. Through Sharma's artistry, this enduring tradition finds a new expression, one that brings the beauty of the sacred into the art of giving.

Created especially for Diwali, each piece brings together the beauty of a centuries-old artistic tradition with the pleasure of giving something truly thoughtful, meaningful and memorable.

This festive season, let your gift carry a piece of India's timeless artistry to someone you hold dear.
