

— OUR STORY —

"Cucina Italiana"

Located on the 6th floor,

"with a ruby and pearl view" of the Millennium City,

Zanotta offers the perfect ambience for a wonderful dining experience.

The restaurant's interactive kitchen allows you to see and chat with the chefs while they prepare each dish with lots of Italian passion. A fresh display of vegetables, large jars of homemade pickles, and pastas around the kitchen convey the cooking philosophy of using only the freshest ingredients.

Our new menu is made for anyone who loves authentic Italian food. Full of flavours and variety, with daily changing specials and antipasti, pasta fresca, and "Zuppe," just how they are cooked in Italy.

Our chef recommends his signature dishes like Risotto ai Funghi Porcini e Champigno, Bocconcini Caprese, Ravioli di Ricotta e Spinaci al Burro e Salvia con Pomodorini Confit, Polenta al Forno con Salsa alla Puttanesca and Tiramisu – all a must-try!

The contemporary look and feel of the restaurant are enhanced by a wine cellar with a large selection of wines from around the world, including Italy, France, California, Chile, Australia, and Germany.

If you have something to celebrate with a group of friends or family, we have two private dining rooms that can accommodate up to eight guests. It offers privacy and a great space to party.

Tell us your plan, and we will do the cooking!!
